FROM THE PRESIDENT AND VICE PRESIDENT

The Permian Basin Fair was fun this year even though we did not have any sort of a real display, we had club members talking to the people attending the fair and demonstrating what we do and of course giving away pens with the raffle and had a few interested in joining our club.

Our October demo will feature Roger Pearson making a 3 sided/window hollow form. Roger seems to have a knack for off center turning and this should be a great demo...

The holiday season is upon us and starts out with cooler weather and old family recipes coming out, then we will start to see decorations in people's yards and with that in mind I would like to remind everyone our Christmas party is just around the corner so get to turning your Christmas party piece.

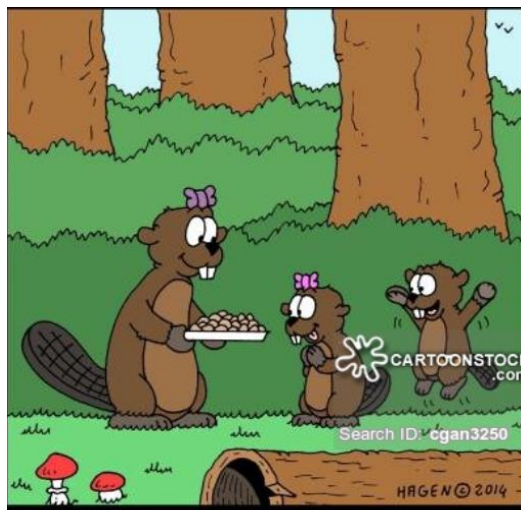

Shawn Shirey

There were three visitors in attendance: Melvin Nunez, Christopher Nunez, and Shawn Slawson.

Show and tell was great. Thanks to all for participating in show and tell. Permian Basin Fair and SWAT had come and gone for another year. A big thank you for all participants in both organizations. These programs would not happen without the outstanding volunteers behind the scene. Freedom Pen Project is moving along. Hopefully everyone can return the pens by our October meeting in order to get these pens mailed and distributed to the troops by Christmas... Thanks to Randy Thorne for his demonstration. Various steps used in completing the three-wing bowl was demonstrated by Randy. Now we all need to put his suggestions and ideas to practice. Thanks to Florencio and Alicia Nunez for the thank you note. Looking forward to seeing everyone at our October meeting.

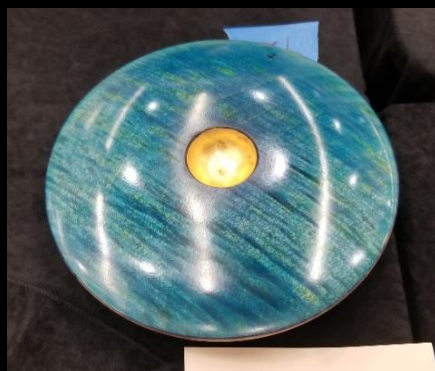

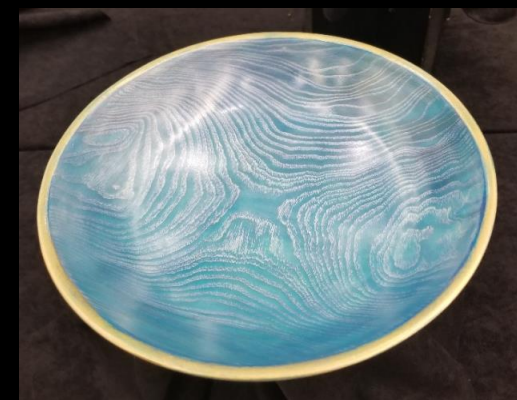

Keep the chips flying.

Rodney Quesenberry

"Bet you can't eat just one."
