Dear Member and Guest:

It seems like it was January only last week! Here we are looking at the end of another year, and your board is hard at work trying to finalize the annual Christmas Party. Be sure to sign up at the next meeting or email Roger at rkpearson23@gmail.com or Rodney at rquesenberry67@gmail.com so we can have an accurate count.

Be sure to bring your turned gift item(s) for the gift raffle exchange. This should be your best work. You must bring something to receive something. Same as in years past. You will receive a raffle ticket for each item you bring.

The location is the Manor Part Clubhouse . If you aren't familiar with Manor Park the map is on the last page of this newsletter. Enter off Sinclair street, take a right on Helen Greathouse Circle, then another right on Pevehouse Parkway to the Clubhouse. It's easy!

Last month's demo was outstanding. Jim Burt did a great job as promised. I hope all of you received the handout and will give it a try. I'm still trying to get "round to it."

Let's keep our club churning. Everybody needs to pay their dues for next year by the January Meeting if possible. Money for the Christmas party can be paid at our November Meeting or at the Party. Just be sure to let us know by December 1 so we can have a count for the Chef.

**THINGS TO
REMEMBER:**

- **Renew your AAW Membership.**
- **Plan to Attend Club Functions.**
- **Club Dues should be paid at or before the January meeting.**
- **Make an attempt to participate, and make your needs and Ideas kown.**

Happy turning!

See you Saturday.

If you missed our last club meeting, I am truly sorry. Jim Burt from South Plains Woodturners gave an outstanding demonstration. Thanks to everyone from the Lubbock club for attending our meeting. Vicky, Mike, Randy, and Jim thank each of you for your insight and inspiration everytime you come to our meetings. Thanks to everyone who participates and attends our club meeting because this monthly get together would not be possible without your participation.

Our show and tell was outstanding again. Look at the attached picture gallery to see what I am talking about. Pictures are better than words
