Dear Member and Guests:

Your board met August 28 with a pretty good turn out. It was decided that we will go ahead with our September meeting with some changes and restrictions. This can be a serious illness, so we don't want to take any chances.

We will limit the attendance to 20, and request that you hit reply and put yourself in the queue. If we reach our limit, we will let you know the maximum count has been reached. We really hate to limit attendance, but if we follow the rules agreed upon, we just don't have the room to do otherwise.

The agreed upon conditions are as follows:

PROGRAM

ROGER PEARSON will demonstrate spindle work, a peppermill body, and turning a bottlebrush burl. Roger always does an outstanding job.

THINGS TO REMEMBER:

- Renew your AAW Membership.
- Plan to Attend Club Functions.
- Club Dues should be paid at or before the January meeting.
- Make an attempt to participate, and make your needs and ideas known.

Safety considerations

- 1. If you are having any symptoms, please don't attend. (I know this isn't a problem)**
- 2. We will have hand sanitizer at the door**
- 3. Wear a face mask. We will have some available if you forget yours.**
- 4. Social Distancing will be practiced.**
- 5. We will not have Coffee or Donuts, but bottled water will be available, or bring your own drink.**
- 6. If it isn't too hot, we will open the big door and turn on the exhaust fan.**

We should have the SWAT dvd's from last year for checkout. What do you think of using those demo titles as a guide for programs? We will discuss and take a vote. Don't count on a Christmas Party this year, even with a vaccine. Manor park is not available, and we probably shouldn't push things. We just need to get things moving again. I know I've missed the meetings and socializing.

Lacking any recent show and tell photos, I've added some old photos, I liked. I've also added some YouTube video presenters that you may not be familiar with. Some are turn-ers, some do flat work which most of us enjoy too.

Keep the chips flying!!!!
